

Glossary:

Bremskreis = brake circuit

Pumpe = pump

1. Radkreis = first wheel circuit

Nach 2. Radkreis = to second wheel circuit

Ventil = valve

Von 2. Radkreis = from wheel circuit brake

Rad = wheel

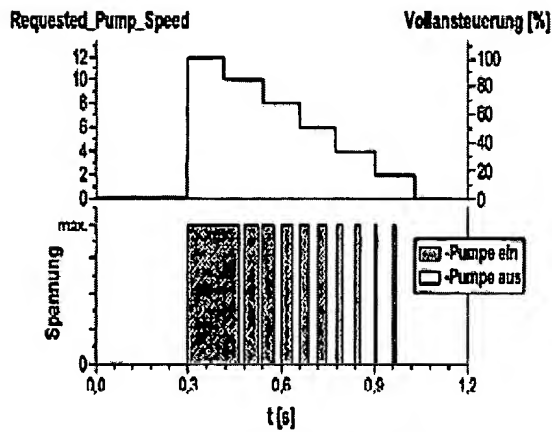

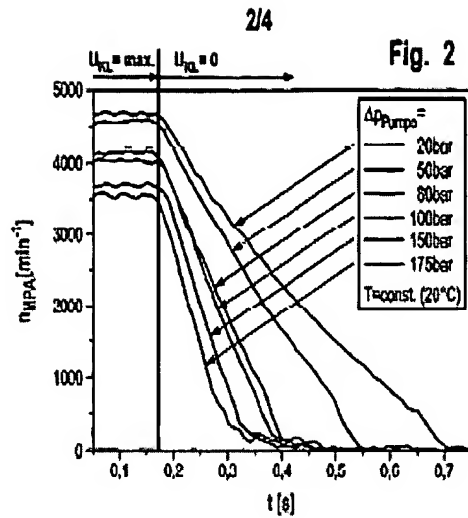

Fig. 3

Glossary:

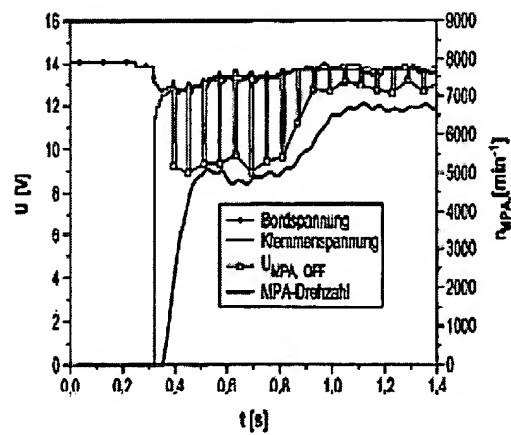

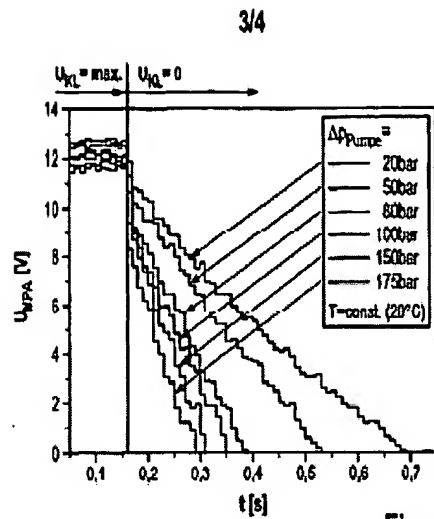

Pumpe = pump

Spannung = voltage

Pumpe ein = pump in

Pumpe aus = pump out

Vollensteuerung [should be *Vollaussteuerung* according to text] = full modulation

**Glossary:**

Bordspannung = onboard voltage

Klemmenspannung = terminal voltage

Drehzahl = rotational speed

4/4

Fig. 6

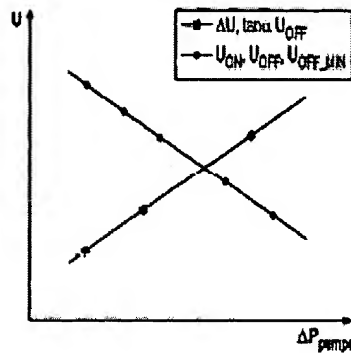

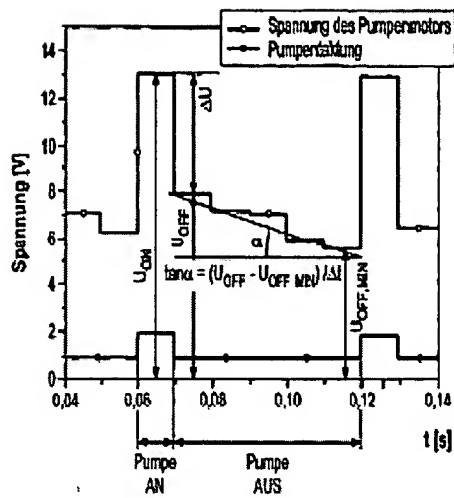

Fig. 7

Glossary:

Spannung = voltage

Spannung des pumpenmotor = pump motor voltage

Pumpentaktung = pump timing

Pumpe an = pump on

Pump aus = pump off
